Dear Chief Baxter,

On Friday October 15, 2010 at approximately 10:08 a.m. the Barnard Fire Department responded to Everclay Drive and Maiden Lane for an Explosion with smoke coming from the house. Upon arrival crews were faced with a house explosion that was a ball of fire, two civilian injuries, exposure problems and a possible natural gas hazard to the neighborhood.

Greece Police Department along with the Greece Special Police were called in for support of this horrific incident. I want to personally thank you for your department's assistance with this extended incident. If it wasn't for the efforts that your personnel provided, the outcome could have been much different.

Please pass on Barnard's thanks to all your staff that responded or provided coverage.

Firematically yours,

  
Deputy Chief John Driscoll
